The Economy of East Asia comprises more than 1.6 billion people (22% of the world population) living in 6 different countries. East Asia is home to one of the most economically dynamic places in the world. The region is the site to some of the world's longest modern economic booms, starting from the Japanese economic miracle (1950–1990), Miracle on the Han River (1961–1996) in South Korea ...
