NEW EVERYTHING IS CHANGE. Beatrice Walditch. In *Everything is Change* Beatrice Walditch shows how contemporary ideas of an ever-emergent cosmos are also part of the traditional worldview in places as far apart as Greece and China. This understanding of how the world works is in complete contrast to Christian concepts and the various successors – including supposedly secular science as well as ...

Inuit are the descendants of what anthropologists call the Thule culture, who emerged from western Alaska around 1000 CE. They had split from the related Aleut group about 4,000 years ago and from northeastern Siberian migrants, possibly related to the Chukchi language group, still earlier, descended from the third major migration from Siberia. They spread eastwards across the Arctic.
